Commissioner for Patents

Response to Amendment

The reply filed on 04/20/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Amendments to a claim must be made by rewriting the entire claim with all changes (e.g., additions and deletions) as indicated in this subsection, except when the claim is being canceled. Each amendment document in the claim listing, the status of every claim must be indicated after its claim number by using one of the following identifiers in a parenthetical expression: (Original), (Currently amended), (Canceled), (Withdrawn), (Previously presented), (New), and (Not entered). The Applicant's representative should change the status of claims 1-3 (from withdrew to cancel) because as disclosed in the Applicant's remarks new claims 4-7 are replacing the withdrew claims. The Examiner wants to remind the Applicant's representative that new claims 4-7 cannot be renumbered as claims 1-4. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
